5. Principle components of ore (gold, silver, lead, zinc)

Gold and copper.

6. Number of men employed. Seven.

7. Name of person in charge of work at mine.

P. L. o'Neill, President and General Manager. Burton M. Reynolds, General Superintendent.

8. Miscellaneous data.

Mr. o'Neill is very busy as they are just getting the spring work started at the time but promised me some information as soon as they get a good start. This is an old property and for years was unable to ship on account of no road. In 1916 [Victor?] Carlson and [Jens Jenson?] deeded to Montana Gold Hill Mining Company, which has since been changed to Gold Mountain Mines, Inc. E. V. Lambert and Curtis Huller also deeded some of the claims of this group to the Company in [1916?]. Mr. Huller was with the old Iron Mountain Mine.

9. Source of information (give location of document or name and address of persons interviewed)

P. L. o'Neill, President and General Manager, Superior. Records in office of County Clerk and Recorder, Superior.
